No. C.1395/34-35.

OFFICE OF THE REVENUE COMMISSIONER IN MYSORE.

Dated Bangalore, 11th April *1935.*

GEN. & REV. SECTT. 13 APR

FROM

N. MADHAVA RAU, ESQ., B.A., B.L.,
Revenue Commissioner in Mysore.

To

H. Venkatanaranappa, Esq., B.A.,
Secretary to the Government
of His Highness the Maharaja of Mysore,
Development Department, Bangalore.

SIR,

Apportionment of income from the Shandies at Ayanur and Anavatti in the Shimoga District between the District Board and the Village Panchayets concerned.

I have the honour to forward, herewith, copies of the marginally noted letters received on the above subject from the Deputy Commissioner, Shimoga District and to state as follows:-

1.	No.V.P.C.2103/32-33	dated 20-12-1933.
2.	...do...	" 5-11-1934.
3.	...do...	" 1-4-1935.

2. It is seen from these reports that the District Board, Shimoga, have stated that it is not possible to give the Village Panchayets any share out of the realisations from the Shandies held in the 6 villages of Anavatti and Ayanur (Vide copy of their resolution dated 24/25th October 1933 enclosed) though according to para 6 of Government Order No.L.5341-58/V.P. 50-27-3 dated the 6th February 1929 the Village Panchayets can rightly claim a share of the said income. The income derived by the District Board from the two Shandies for 5 years is noted on the margin. The Deputy Commissioner has examined the financial position of the Village Panchayets concerned and is of the opinion that it is necessary, for the reasons stated in his report of the 1st April 1935, to augment their resources and recommends that

that ¼th of the Shandy realisations may be ordered to be given to the Village Panchayets concerned by the District Board, Shimoga. I agree with the Deputy Commissioner in the matter and recommend that his proposal may be sanctioned.

I have the honour to be,

S i r,

Your most obedient servant,

Revenue Commissioner.

Letter No.V.P.C.2103/32-33 dated 20th December 1933, from the Deputy Commissioner, Shimoga District, to the Revenue Commissioner in Mysore.

Re: apportionment of shandy income between the District Board and the Panchayets in the cases where such apportionment has not been already made.

With reference to your Official Memorandum No.C.4006 of 1932 dated 25th March 1933 regarding the above, I have the honour to state that the District Board is appropriating the entire realisations of the Shandies held at Aynur and Anavatti and it is not getting any income from the other shandies.

The Sub Division Officer, Shimoga, has stated that ¼th of the realisations of the Ayanur Shandy may be given to the Ayanur Village Panchayet and the Amildar, Sorab Taluk, has suggested that half the income of the Anavatti Shandy may be given to Anavatti Village Panchayet.

The President, District Board, who was consulted in the matter, has stated in his letter No.C.416/32 dated 26th November 1933 that it is not possible to apportion any portion of the shandy income for the present.

A copy of the resolution passed on the above subject by the Board is herein enclosed for kind perusal.

Letter No.V.P.C.2103/32-33 dated 5th November 1934, from the Deputy Commissioner, Shimoga District, to the Revenue Commissioner, in Mysore, Bangalore.

With reference to your letter No.C.4006/32-33 dated 9th January 1934 regarding the apportionment of the income derived from Shandies held in the Village Panchayets of Ayanur and Anavatti, between the District Board and the Village Panchayets concerned and calling for information regarding the income from Shandies etc., I have the honour to forward herewith the copy of letter and the statement received from the President, District Board, Shimoga in this matter and to note on the margin the balances on 1st July 1934 at

the credit of each of the Village Panchayets.

Letter No.V.P.C.2103/32-33 dated 1st April 1935, from the Deputy Commissioner, Shimoga District, to the Revenue Commissioner in Mysore.

Referring to correspondence ending with your letter No.C. 1395/34-35 dated the 7th December 1934 calling for an explanation as to the differentiation in the apportionment of shandy income in the case of the Panchayets at Ayanur and Anavatti and enquiring whether the financial position of the Panchayets is such as to require this addition to their income, I have the honour to state that the reports called for from the Sub Division Officers of Shimoga and Sagar on the first point raised have not yet been received. The proposals of the Sub Division Officers to apportion 1/4 and half the shandy collections to the Panchayet Funds do not seem to have been made on any basis. Taking into consideration, the present financial position of the District Board and relative duties now devolving on the District Board and the Panchayets concerned in connection with the holding of shandies, I am of opinion that it is fair to make over ¼ of the collection to the Panchayets concerned and leave the balance to the District Board for the present.

The villages of Anavatti and Ayanur are important places with a population of 1275 and 1240 respectively. The annual income of the Panchayets is Rs.449/- and Rs.569/-. They are centres of trade attracting a large floating population and are situated on the road-side. The present condition of the villages cannot be said to be very satisfactory. Many works, which are intended to improve the Sanitary conditions of these villages, are awaiting execution but on account of the limited resources of the Panchayets, they have not been able to undertake them. With a view to enable them to carry on these obligatory duties in a satisfactory manner, it is necessary to augment their resources by all possible means and I therefore request that sanction of Government may kindly be obtained to apportion the

shandy collection as suggested above. The holding of the Shandy in the vicinity of these villages renders the villages unclean and insanitary and special measures have also to be adopted by the Panchayets themselves to remove the trails of squalor left behind after the shandies every week.
